NOTES TO CLIENTThe attached requests require additional
                 processing. See the reply sheet at the end
                 of this message for the reason NAL is
                 trying to obtain the items from another
                 source.

THIS IS NOT A BILL.

National Agricultural Library
Document Delivery Services Branch

Your request requires additional processing.

NAL does not own the requested title and is trying to obtain the material for you from an outside source. No additional action is required on your part at this time. NAL will deliver the material to you as soon as it can be obtained, however delivery time for individual items will vary depending on availability of item requested.

For information on NAL's document delivery policies and procedures, please access:
> http://www.nal.usda.gov/ddsb

Questions can be directed to the Access Services Librarian:
> Email: access@nal.usda.gov
> Phone: 301-504-6503
